Author [Curtis Cost](#) invites friends of *America's Frontline Doctors* ([AFLDS](#)) to a special Town Hall meeting where a group of medical experts, scientists, researchers, attorneys, and community activists will share their perspectives on COVID-19 and COVID vaccines during an online town hall forum Tuesday, May 25 at 8 p.m. ET/5 p.m. PT.

Cost told AFLDS: “We have a dynamic list of speakers who will be sharing the latest information on a wide array of topics related to COVID.

“The forum on Tuesday, May 25, will be in English, but later it will be posted on the [Children's Health Defense](#) website and there will be subtitles in Spanish and four other languages.”
