

Special: Husband of Deborah Bucko shares heart-wrenching story of how his wife was 'slowly murdered' at hospital

Rabbi Chananya Weissman interviews Scott Mantel, the husband of Deborah Bucko, who “shares the heart-wrenching story of how his wife was slowly murdered at the hospital.

“Aaron Glatt and the rest of the administration did everything possible to deny her Ivermectin, in defiance of all reason and the positive results before their eyes... May God help us stop these monsters and bring them to justice. Please share this widely.”
